Dear Sir/Madam,

I am writing this letter on behalf of Korea Health Industry Development Institute, KHIDI.

It is my pleasure to invite you and your organization to join us as partners at our BIO KOREA Partnering (online business meeting). The event will be held from the 11<sup>th</sup> to the 13<sup>th</sup> May, 2022 and will be a satellite event of the 17<sup>th</sup> BIO KOREA, Korean representative bio-health industry.

The event will be filled with meetings with the prominent and excellent Korean In-vitro diagnosis devices (IVD) companies; this includes but not limited to the companies on the list I attached. If there are more products or companies you are interested in, please let us know so that we can arrange the meetings for you.

An acknowledgement to the email, stating the number and names of people attending, and your interesting area or products will be of great help. It will help us serve you better. For more detailed information, please contact me by email at [kimyouran@khidi.or.kr](mailto:kimyouran@khidi.or.kr) or phone, +82-2-2095-1765.

We do appreciate for your supports and will look forward to seeing you at our event soon.

Kind Regards,

**David SungEun Hwang**  
**Director, Department of Medical Devices**
