

Product for Cytology

HURO PATH® T / HURO PATH® S

Sample Slide Processor

IVD, LBC(Liquid Based Cytology) Medical Device.
Thin mono layer slide for cytopathology examination.

Technical Specification

Product name	HURO PATH® T	HURO PATH® S
Display.	4.3" LCD Touch Screen	4.3" LCD Touch Screen
Throughput	2 sample every 50 seconds / Dual Type	1 sample every 40 seconds / Single Type
Cat. No.	ALBCCZ003	ALBCCS001

HURO PATH® Solution

Cell preservation solution for fix the cells.

Product name	GYN	FNA	URINE	SPUTUM	BODY FLUID
Application	Cervical Cancer	Breast Cancer Thyroid Cancer	Bladder Cancer Urinary Cancer	Lung Cancer	Malignant Tumor
Cat. No.	AHGYNV100	AHFNAV100	AHURIV100	AHBODC100	AHSPUV100

Accessories

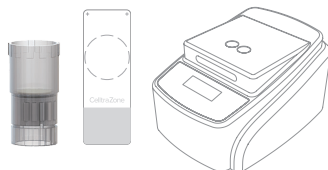

Product name	Filter	Microscope Slide	Cyto Brush	Diluent	Hemolitics	Contro-Reagent
Cat. No.	AFSTD001	ASLIDE001	ABRUSH001	AHDILB100	AHHMLB100	AHCTRV100

Procedure

Collecting samples
(GYN)

- Insert filters and slides
- Pour the sample and push start button

Smearing and staining
completed

Observe with
a microscope

Other Products

LASwab™ TM Kit

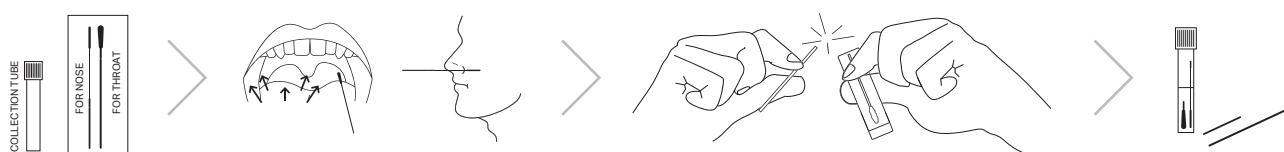

Collection and Transportation Kit

IVD, Collect and transport sample for pathogen (virus, chlamydia, mycoplasma, urea plasma, etc.)

- Cat. No. : LKD8STM1
- Product Composition : Tube 2 mL, 2 Swabs

Procedure

ARA MagNA Kit

DNA/RNA Isolation Kit

IVD, Rapid isolation of high quality genomic DNA/RNA, less 30 minutes for preparation time.

Type	Product Name	Origin	Unit	Cat. No.
Magnetic bead	ARA MagNA Blood DNA Isolation Kit	Blood	96	LKD4DBL96
	ARA MagNA Tissue DNA Isolation Kit	Tissue	96	LKD4TSD96
	ARA MagNA Cell-Free DNA Isolation Kit	Plasma	100	BKD4DPS100
	ARA MagNA Viral RNA Isolation Kit	Virus	96	BKD4VIR96
			384	BKD4VIR384
Speed spin	LASpeed™ Spin-NA Kit	Blood	50	LKR4DBL50

Laboratory Equipments

Sample separation, concentration, growing and storage

For laboratory, sample preparation instruments

- Centrifuges : Micro Centrifuges, Multi-Purpose High-Speed Centrifuges, Large Capacity Centrifuges, Low-Speed Clinical Centrifuges
- Concentrators : Centrifugal Vacuum Concentrators, Freeze Dryer & Cooling Trap Gas Purging Evaporation Concentrators
- Shakers & Mixers : Laboratory Shakers, Vortexer, Stirrers, etc.
- Sample Growing : Lab Fermentors, 170 L CO₂ Incubator
- Deep Freezer and consumables
