MAIN PRODUCT

ABOUT COMPANY

Dongmun is a worldwide exporting company that manufactures and sells medical equipment such as Stationary, Mobile, Portable, Mammography, C-arm X-ray machines.

Besides, we offer Flat panel detector, FireCR Flash, Grid, Apron, Generator, and so on. Since 1994, we have manufactured and offered high quality of x-ray machines with innovative technology and specialized engineering manpower to more than 100 nations and International Organisations. We continuously make an effort on improving quality system.
We have a history of Korean World-class Product Award from Minister of Knowledge Economy in 2011. Obviously, our products have International Quality Certificate such as ISO, CE, KFDA, and GMP. We guarantee fast delivery service and competitive price.

We stand behind our products and services and look forward to seeing you again soon. Your future purchase includes 13 months of manufacturing fault warranty for each machine.

HISTORY
